Summer Program Information 2018

Doves (18 months to 3 years old) led by Larissa

Things That Go June 25-29

All aboard the summer express! There are few things that insight such genuine wonder in a young mind than modes of transportation. In the air, on land, and under the sea, we will explore different types of vehicles. From airplanes, to trains, to submarines...we're going to learn about them and even create our own.

Reduce, Reuse, Upcycle! July 2-13 *No camp July 4

Watch us as we turn the ordinary into extraordinary in this eco-friendly camp! We will use recycled materials and objects to create cool crafts and musical instruments. Join us as we explore the beauty in the simple things around us. Being green can be fun!

Eating Our Way Around the World July 16-27

Pack your bags and grab your passports because we're traveling around the world in ten days! Join us as we travel from France to China and many places in between. While in each country, we will take time to learn about the unique cultures, language, and cuisine they have to offer.

Under the Sea July 30-August 10

Let's dive into deep blue sea! Dive in for an underwater adventure as we explore what lurks beneath the mysterious sea. During this session, we'll be turning our classroom into a submarine. We will discover the secrets of the ocean and the amazing creatures that live in it. Ride the waves through unique ocean habitats such as kelp forests and coral reefs.

Messy Art August 13-24

Grab your smocks, it's about to get messy! Bring your summer to a fantastic finish with a burst of color! Explore art the Montessori way, as we embrace creativity and movement to create art. Be prepared to mix, squish, splash and squirt vibrant colors.
